Debtor Nations Will Make Plea Late Next Month

President Roosevelt Will Hear War Debt Pleas Last Week Of July

FRANCE MUST PAY TO GET HEARING

Defaulting Nations Will Not Be Given Chance To Present Pleas

(International News Service) WASHINGTON, June 20.—The last week in July was set today by this government as the tentative date for commencement of the debt revision parade of the non-defaulting nations before President Roosevelt.

Those nations which have met their obligations in full or recognized the validity of them by making at least partial payments will be given two or three days to advance their plea for drastic reduction of the eleven billion dollars owed this nation.

France Must Settle

France, it was reiterated, will be definitely barred unless it pays up the \$19,000,000 on which it defaulted in December and makes at least a partial payment on the \$40,000,000 June 15th installment on which it also defaulted.

The decision to limit the hearings of each individual non-defaulting debtor to two or three days was reached by acting secretary of state Phillips and assistant secretary of state Moley. It is understood to have the approval of President Roosevelt.

"They ought to be able to say all they have got to say in that time," one official said. "We are only going to listen to them."

William Hamm, Jr., Lends Active Cooperation To Hunt For Kidnap Gang

SANKEY BELIEVED LEADER OF GANG

(International News Service) ST. PAUL, Minn., June 20.—Authorities had the active cooperation today of William Hamm Jr., 39, millionaire brewer, as search was spread throughout the northwest for his kidnapers.

The hunt was speeded up by a reward of \$30,000 offered by St. Paul business men for apprehension of the five or six abductors who released Hamm early yesterday after payment of a ransom which had been scaled down from an original figure of \$100,000.

Somewhat refreshed after his four day ordeal, Hamm was back at his office at the Theodore Hamm Brewing Company, of which he is president.

"I will give any information I have," Hamm told prosecutor M. F. Kinkead, in charge of the search.

The wealthy brewer said he has not permitted to see all of his kidnapers, but he was able to identify pictures of Verne Sankey as one who resembled leader of the gang. Sankey is under indictment for the kidnaping of young Haskell Bohn here and the recent abduction of Charles Boettcher II in Denver.

(International News Service) PARIS, June 20.—Admission that France "committed a serious error" in refusing to pay last December's debt installment to America was made in today's edition of the newspaper L'ere Nouvelle, official journal of former Premier Herriott's party.

Herriott was thrown out of office for urging the payment be made. His paper said:

"Herriott was right. We have only to read Washington's reply to the French note to realize it."

OPERATIONS INCREASE AT LEESBURG MINES

With the increase in the production of steel and steel products, the coal mines of the Sharon Coal and Limestone Company, located in the Leesburg district have shown a corresponding increase, according to T. W. Filer, general manager of the company.

In the past two weeks, Mine Number Two and Mine Number Five have been operated five days per week, which is a healthy increase over the days of not so long ago when one and two days per week were the rule. Five hundred miners are affected by the increase in operations and a continuance of the five day operation will mean a substantial increase in pay envelopes in the district. The tonnage being gotten out of the mines at the present time is averaging about 1600 tons per day, all of which is used in the operations of the United States Steel Corporation of which the Sharon Coal and Limestone Company is a subsidiary.

England And France Seek To Force U. S. To Accept Stabilization

By GEORGE R. HOLMES

GEOLOGICAL MUSEUM, LONDON, June 20.—The world economic conference reached the "velled threat" stage today.

With Washington still unwilling to bind the dollar to the British pound and French franc until it can measure dollar elasticity against domestic requirements, both the French and British are warning they may be "forced" to look eastward instead of westward for their future business.

The French warning was the most direct, Albert Sarraut, minister of Colonies, said bluntly that unless the world—meaning the United States—was willing to cooperate with France, she would be forced reluctantly to develop her own economic life through her far-flung colonial empire.

Almost simultaneously there appeared in the British press obviously inspired stories to the same effect, stating that unless the United States was willing to abandon isolation the British would be forced to turn their attention to furthering empire development and to fostering continental trade.

These threats do not disturb the American delegates, who merely view them as moves in a game to bring pressure on the American government to yield on immediate currency stabilization, which has become almost an obsession in Paris and London.

The Americans unite in supporting Washington's reluctance to stabilize currency while commodity prices are still rising in the United States.

Boak Named On Dry Slate For Repeal Contest

AT SEA WITH PRESIDENT ROOSEVELT, June 20.—Pulling out of Nantucket Harbor at 6 a. m., President Roosevelt put out to sea around Cape Cod and headed the Schooner Amberjack II northward toward Provincetown early today.

He used the small auxiliary motor to push the yacht speedily out of the harbor and to the tip of the Cape. Just as the Amberjack II rounded the cape the president's eldest son, James, hoisted the mainsail and canvas filled to a brisk easterly wind.

There were 80 miles in the course between Nantucket and Provincetown.

United States Is Preparing For Gigantic Warfare To Lick Depression

(International News Service) WASHINGTON, June 20.—Preparing for the gigantic drive against depression the treasury today had amassed a cash balance of \$1,008,099,000.

This balance, reminder of war time will be employed in the public works, agriculture and relief activities now getting under way.

This sum accumulated in the sale of more than a billion dollars worth of securities, and from miscellaneous income sources such as taxes and customs receipts.

So far in June over \$104,281,000 in income taxes and \$71,483,000 in miscellaneous internal revenue have been collected. Miscellaneous receipts which are expected to run more than \$100,000,000 this month are nearly three times as great as last year.

Caliphs Say Farewell To Howard B. Richards

Ali Baba and his Forty Thieves were at large Monday night. For three hours they took over the ball room of the Castleton Hotel and the chandeliers will never be the same again after that party. Not that it was rough. Just noisy, although some there are who might have linked the sounds up with singing.

The occasion was a farewell dinner by the Caliphs of Bagdad to the Imperial Caliph, Howard B. Richards who has been promoted to the management of the water company in Birmingham, Alabama. There was no "sadness of farewell" about Arabian gangsters. Underneath the hilarity there may have been a muted note of emotion, but anybody who showed it ran the possibility of getting tossed out on his Arabian schnozzle under orders of the Caliph, W. Stanley Treser.

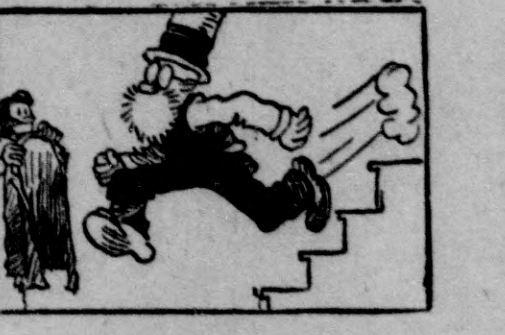

Organized The Order

The Caliphs of Bagdad were organized by Mr. Richards. So was the foundation order of the Caliphs, the Order of the Yellow Dogs. After being under his direction for so many years the Caliphs broke loose last night and told him a thing or two that he won't forget in a hurry. It took them a little time to tell him but the stuff has been accumulating a long time.

It seems to me that a fellow's chest would bulge out a tiny mite to hear folks say that you've been a help in a job or a frolic or fight. For things like that haven't got a price, and when finally you are done, those memories will still shine like gold, the weather is ninety one.

Wool Pool Is Gathered Today

Expect Record Yield Of Wool Will Be Pooled By Farmers Of District

SHIPMENT WILL BE MADE AT ONCE

Wool by the truckload is being poured into the warehouse of the Lawrence County Wool Growers Association on Morris street, where it is being graded, and weighed in preparation for shipment this week to the purchaser, Charles B. Boyd and Company, of Philadelphia.

Although some wool had been previously sold by members, a record yield is expected from the pool being gathered today.

Farmers from the western section of Butler county, of Lawrence county, and Little Beaver townships of Lawrence county, are bringing their wool into the warehouse today, and tomorrow, the farmers from the remaining districts in the county will be accommodated.

As soon as the grading work has been completed by State College experts, it will be shipped to Philadelphia.

The price obtained this year was thirty and a half cents per pound for the best quality, a record price.

Almost two carloads of wool was gathered in Butler county yesterday, being delivered by growers from the district nearer the city of Butler.

Auto And Awning Fires Cause Alarms

Small Damage Is Occasioned By Fires In City This Morning

City firemen answering two alarms within the space of an hour this morning, one caused by leaking gasoline in an auto truck and the other by an awning blaze.

At 10:30, they were called to East Washington street, near Maryland avenue, where gasoline leaking from the carburetor of a car owned by Harry Waldman, burst into flames when it came in contact with the exhaust pipe. The blaze was blown up into the cab by the fan, setting fire to the woodwork and upholstery. Damage of \$50 resulted. The fire was extinguished by No. 4 and B. truck company from Central station.

At 11:30, firemen were called to the Y. W. C. A., where an awning over the window in the cafeteria in the rear was found ablaze. It is believed someone carelessly tossed a cigarette butt onto the awning. The damage amounted to approximately \$5.

At 12:40 this morning, firemen were called to Delaware avenue, by a fire in a rubbish dump. A line of hose was laid and the smoldering blaze extinguished. There was no loss.

BEER WON'T MAKE YOU FAT

If you aid the digestive juices that prevent "bloat."

You can drink beer, in any reasonable quantity, and forget all fear of fat, if you give your Lippase just a little daily help. Any dictionary will tell you that Lippase are the digestive juices that control the production of fat in human bodies. When these juices are controlled—regulated—you lose all surplus fat, and become slim and really healthy.

That's why the new scientific Vannay treatment is doing such wonders for people who are over-weight. It encourages the proper flow of the Lippase, and actually dissolves fat before it can deform the body. Vannay is absolutely harmless. It contains no thyroid extract, no iodine, no laxatives, no drugs of any kind that could hurt even a child. It was discovered by a great physician who has specialized in research with the leading medical institutions of Europe and America.

You don't have to starve yourself or go through painful exercises. You simply take Vannay tablets each day and continue to eat three meals a day. The fat disappears at just the places where you want to lose it. Start the treatment at once and all your fondest dreams of health and slim loveliness should come true. Ask your druggist for Vannay and be sure that name is on the package. If you are not perfectly satisfied with the results, your money will be promptly refunded. Love & Megown.

A payment of \$10,000,000 in silver to the United States on June 15, he said, will be made from ordinary public funds without a supplementary budget estimate.

Lambert demanded that commons be given an opportunity to discuss the debts.

COUZENS DEMANDS U. S. DELEGATION ANNOUNCE POLICY

(Continued From Page One)

"lecture" to the delegation, it was generally understood he "spoke his mind" about the trend of the conference and the American position with reference to it.

Behind closed doors, Couzens was reported to have called an end to such tactics as those of Saturday, when American experts proposed a ten per cent horizontal tariff slash and Senator Key Pittman of Nevada promptly disowned it as an official proposal.

Object Of Ridicule. This, he was reported to have charged, made the American delegation the object of ridicule in conference quarters. Unless the American delegation can make up its mind on a definite policy, he said, it might just as well pack up and go home.

Couzens, it was understood, was aroused by the consistent "panning" to which the American delegation has been subjected since its arrival in London, not only in editorials but in the news columns of the British press.

Beginning with Secretary Hull's toast to the "Irish Republic" on his arrival at Queenstown right through until this morning the American delegation and its policies have been held up to ridicule at every stage, which has been helped along by such incidents as the tariff proposal and the subsequent middle.

Daily Thrusts. An example of the daily thrusts was the Daily Herald's comment today on the silver resolution introduced by Senator Vitter.

"Whether the senator represents the president's mind any better than Secretary Hull or Governor Harrison of the federal reserve bank remains to be seen," the newspaper said.

The same article pictured President Roosevelt "of having a bang-up good time" cruising along the American coast while the conference flounders in a sea of indecision, allegedly, according to the editorial, caused by America's unwillingness to stabilize the dollar.

And this was just a single shot in a barrage of criticism. Here is what the Financial News had to say today.

"The American delegation has earned the reputation of being at sixes and sevens and President Roosevelt, with his obviously intransigent attitude toward stabilization, must also take his share of the blame."

"People say that when Professor Moley arrives, and it is emphasized he is a lecturer in criminology at a girl's college, the Americans will re-establish themselves in the public confidence. But it is asking rather a lot to expect the world to wait for Mr. Moley."

NEW POST OFFICE WORK IS SPEEDED

Job Progresses Unseen Behind Frame Barricade—Lay Stone Soon

Reporting "good progress" on the post office construction, the A. W. Kutsche company, general contractors, today pushed forward work in the building's basement and on the first floor and made preliminary plans for laying the first sandstone on the walls within a short time.

Hidden from public view by the frame barricade which almost completely enclosed the new structure today, nearly 40 workers busied themselves on many different jobs.

Shipments of sandstone from the Curwensville, Pa. quarries of the Pennsylvania Sandstone Corporation were expected to start soon after Fred W. Evans, Kutsche company representative from Detroit, goes there to inspect it. Evans was here to confer with company officials today.

Erection Superintendent said that the placing of the granite base trim along Washington street occupied a part of the men today, while down in the basement they were laying the interior brick and waterproofing the concrete walls around the coal bin and elevator shaft. Upstairs, on the first floor, piers which will form the joist construction were being placed.

Along Market way, in the rear of the building, a retaining wall was under construction.

The building work is progressing far more rapidly now than it has been for several weeks. Unavoidable delays attendant to all building projects have arisen now and then.

Hospital Board Meets Monday

Disposition Of Old Shenango Valley Hospital Building Considered

Meeting in a business session Monday night, June 19, the directors of the Jameson Memorial hospital passed a resolution of regret over the leaving of Howard B. Richards, but congratulated him upon the fine promotion he has received from the New Castle Water company. Mr. Richards has served for a number of years as a director on the hospital board.

A special committee was appointed by President F. L. Rentz to go over the property of the old Shenango Valley hospital. Since the Jameson Memorial hospital was opened the Shenango Valley property has been idle. The purpose of the committee will be to inspect the property, ascertain whether there is any sale for it, or whether the building should be torn down. Numerous inquiries have been made for the building recently. The committee consists of John P. Lockhart, chairman, John H. Lamb, T. H. Hartman, R. H. Eckles and Robert Cunningham.

The board heard reports of other committees, discussed the condition of the hospital and also the commencement exercises which will be held on Wednesday night in the First Christian church.

Mrs. Lewis is survived by her husband; eight children: two grandchildren: two sisters, Mrs. J. D. Evans, Morgantown, W. Va., and Mrs. Hanna James, South Wales; two brothers, George Jones, and Evan Jones and two half sisters, of South Wales.

Clarence Baker.

Clarence Baker, aged 48, of South Cedar street, died last night at 10:15 o'clock at the Lawrence County Home, following an illness. He was without relatives here and his only known relative is a cousin, Claude Stukler of Virginia.

Funeral services were held this afternoon at the Lawrence County Home and interment was made in the cemetery of the Lawrence County home.

Mrs. Biles Funeral.

Funeral services for Mrs. C. W. Biles, 510 Rels street, were held from the home Monday afternoon, with George Ferver, reader of the First church of Christ, Scientist, officiating.

Pallbearers were George E. Zerner, Lee R. Gordon, Herman L. Dague, Jesse H. Gibson, Arthur C. White and William W. Stone. Interment was made in Oak Park mausoleum.

T. H. Rowland Funeral.

Funeral services for Thomas H. Rowland were held this morning from the family home, 10 Homestead street, with Rev. Richard Owey of the People's Mission, officiating. Mrs. Owey and Mrs. Edward Dost sang "In the Garden," "The Last Mile" and "The Old Rugged Cross."

Interment was made in Greenwood cemetery; pallbearers were Clarence and Earl Eakin, Garve and Clifford Rowland, Henry Huff and David McGowan.

Albert Peterson.

Mrs. Clara Crowther Peterson of 201 North Jefferson street, today received a cablegram from Attorney Hagelsten of Bergen, Norway, conveying to her the sad intelligence of the death of her husband, Albert Peterson, who was visiting there, his birthplace, with friends and relatives. According to the message, Mr. Peterson died as a result of a heart attack, suffered early today.

Mr. Peterson left this city April 20th, this year, for a visit in that place. He was in his usual health at the time and expected to return here after a visit.

He was born in Bergen, Norway, in January 1854, and was 79 years of age. He came to this city about thirty years ago and had resided here ever since, being widely known, and one of the city's most highly respected citizens. He married Mrs. Clara Crowther in 1912.

Previous to his retirement a number of years ago, he was a draftsman at the New Castle Works of the Carnegie Steel Company. He was a member of the First Presbyterian church of this city and of the Masonic Fraternity in Norway. He is survived by his widow, Mrs. Clara Crowther Peterson and a number of relatives in Norway.

The funeral arrangements will be made and carried out in Bergen, Norway.

Accident Victim Has Two Wives, Four Children

Coroner In Pennsylvania Finds Illinois Man Had Lived Double Life

(International News Service)

YORK, Pa., June 20.—Carl Joseph Kuhles, one of three men who died in a rail accident a week ago, had two families, both in Illinois, according to letters in possession of Dr. L. U. Zech, York county coroner today.

Communications inquiring into the manner of Kuhles' death were received from a woman who signed her name as Emma Sleater, of Peoria, Ill., and from another woman who bears Kuhles' name and address at Streator, Ill. Each is the mother of two children and Kuhles was their father, according to the letters.

The Sleater woman wrote: "I am his first wife and have two children, Andrew and Anna Kuhles, both under age." The woman at Streator described herself as 21 years of age and the mother of a girl of 18 months and a boy of three months.

Kuhles was one of three men whose bodies were found atop a freight car here, it was believed they were riding west on a train when they were struck down by a low bridge.

Young Boys And Girls Strike Against Sweat Shop Conditions

(International News Service)

PITTSBURGH, June 20.—Striking against alleged sweatshop conditions in the Sterling Special company plant in Rankin, a suburb, 25 boys and girls today blocked the factory's entrance.

Cardboard posters demanding higher wages and the death of sweat shops were tacked on the city's first "forest army." All detail work in connection with the reforestation calls was handled by the office.

No arrests were made over the night by the city police and on that account, the mayor said, this morning relieved of the necessity of holding police court.

Millions Will Be Given Jobs

Gen. Hugh S. Johnson In
Charge Of National Re-
covery Act Makes
Survey

FINDS INDUSTRIES WILL COOPERATE

(International News Service)
WASHINGTON, June 20.—Rules governing industry in America's efforts to leave the depression trail are to be announced by Gen. Hugh S. Johnson, administrator of the national recovery act.

As soon as the rules and regulations are announced, Johnson said, dates will be set for the hearing of various trade associations, with the possibility of fixing an immediate date for the steel industry spokesmen.

Johnson reported that a preliminary survey indicates that industry generally is disposed to accept the provisions and make a whole-hearted attempt to comply with it to co-operate with the administration in its fight to win back economic stability and improvement.

The administrator agreed with Senator Wagner (D) of New York, that the operation of the act would furnish employment for millions of men and that the first benefits would be distinctly noticeable by early July.

Mr. and Mrs. C. B. White called to pay their respects to the late Nathan Offutt at his home in Harlansburg on Sunday. With them went Mr. and Mrs. J. C. Offutt and Floyd Offutt.

Wilbur Patterson and Harold Elliott, who have been trout fishing for the past two weeks, returned to their homes here on Saturday night. They spent the time fishing streams in Potter and Venango counties and snared some beautiful trout.

Monday, with its departure from the cold spell, was a big day at the local swimming pool. Visitors from far and wide enjoyed the cooling waters of the pool, while the local lads and lassies were in their glory, reveling in the waters seeking relief from the hot sun.

One of the best games of the season should be witnessed at the local field this Saturday when the local nine will meet a rigid test in the form of the Volant ball club. Anderson's proteges have been improving rapidly and are showing real form in practice. The Volant club is strong, however, and will give the college town lads a real battle. The game will be called at 2:30 on Saturday afternoon.

Some criticism is being voiced by citizens regarding the loose-running of dogs in the village. The young dog on your own property and avoid any trouble. It has been a long time in New Wilmington since dogs have become a menace, but the summer months seem to have caused a laxness in caring for the animals. If the dogs become bothersome it is the duty of the local officers to rid the town of the menace and the dogs are shot.

Increased Demand For Local Stone Is Now In Prospect

According to information received by The News today, the rip rap stone for the highway across the Pymatuning Dam will be taken from the Neshannock Falls quarries. At the present time workmen are engaged at the quarries on a 100,000 ton order for the Eyspyville-Andover highway. The new highway across the dam will require approximately 40,000 tons of stone which will probably mean an additional force of men if all the stone is to be taken out and shipped before cold weather.

Nurses Ready For Graduation

Commencement For Jame-
son Memorial Hospital
Wednesday Night

EXERCISES IN FIRST CHRISTIAN CHURCH

Rehearsal will be held tonight in the First Christian church by the nurses of the Jameson Memorial hospital who graduate from the Training school; on Wednesday night, June 21. The rehearsal will consist merely in running over the details of the arrangements and having the young ladies familiarize themselves with the processional march.

For the graduation Wednesday night, the First Christian church will probably be fitted with friends of the twenty young women who will be given their diplomas. Most of them are from Lawrence county and with their friends and the friends of the hospital the auditorium will probably be filled.

Reception Afterwards

Following the commencement exercises in the church, a reception will be held in the Nurses home adjacent to the hospital. The address to the graduating class will be delivered by Elizabeth F. Miller, B. N., executive secretary of the Pennsylvania State Board of Nurse examiners. The address of welcome will be delivered by the President of the Board of Directors, Fred L. Report Building Industry Shows Big Improvement

First Time In Four Years That
Permits For Home Building
Has Shown Increase

(International News Service)
WASHINGTON, June 20.—The building industry is picking up according to reports received today by the Bureau of Labor statistics.

Indicated expenditures for total building construction in May was 128.6 per cent greater than in April, reports showed from 761 identical cities having a population of 10,000 or over.

The increase of May over April was over five times greater than the increase shown in comparing these two months in 1932. Comparing May with April, there was an increase of 32.8 per cent in the number and an increase of 75.9 per cent in the estimated cost of new residential buildings.

This is the first time in four years that indicated expenditures for residential buildings was greater in four years that indicated expenditures for residential buildings was greater in May than in April.

Plant Distributors End Job This Week

County Relief Board's Free Do-
nations Benefit Host In
District

This week will bring to an end the distribution of free vegetable plants which the Lawrence County Emergency Relief board provided for needy families of the county.

While a small supply of late cabbage plants remained for latecomers, distributors at the East Washington street distributing center said that most of the work had been completed.

Throughout the county, a total of 156,950 late cabbage plants were distributed. In New Castle alone there were 1,360 families that received donations.

Since garden seeds and plants began to arrive over a month ago, 5,409 packets of free seeds have been distributed, 207,325 early tomato, pepper and cabbage plants were handed out and the newest quantity of late cabbage plants have been placed in the hands of deserving gardeners.

Garden plots, also donated for the use of needy folk, are now being cultivated.

Maug And Turpac Back In Prison

Pittsburgh Officials Remove
Maug And Turpac To Cells
In Solitary

(International News Service)
PITTSBURGH, June 20.—Prison doors clattered shut behind John Maug and Edward Turpac, lifers again Monday.

They were transported to Western Penitentiary Monday shackled to detectives. Armed squads of guards escorted them to the prison, a short distance from downtown Pittsburgh. Both face a year of virtual solitary confinement as punishment for the escape.

Their removal to the prison was hastened by a rapidly growing crowd at the jail. Hundreds, anxious to see the killers, milled around in the streets in the vicinity.

WHY NOT BUY the tire which has EVERYTHING!

IT COSTS NO MORE!

YOU hear a lot about safety in tire advertising these days. Safety from skidding. Safety from blowouts. If you want that safety, there's just one sure way to get it, and that is BUY GOODYEAR TIRES. Here's why—

Safety from skidding

There's only one thing that can keep you from skidding—and that is a tread that has grip where the tire contacts the road—traction in the center of the tread, where Goodyear puts it. Goodyear Tires—the All-Weather and the Pathfinder—skid less than any other tire. Careful

tests on wet pavements prove it. They show that the next best tire to a Goodyear skids 10% farther—and many tires skid 77% farther than Goodyears!

Safety from blowouts

Blowouts are caused by the body of the tire breaking down. Goodyear Tires give you blow-out protection not merely in one ply or two but in every ply—from bead to bead. That's because Goodyears are built with the patented ply material, Supertwist—which will stretch and come back long after ordinary cords break down under the strain of heat and speed. That means a longer lasting, cooler running, safer tire.

Mileage increased 97% in five years
Bus operators don't guess about mileage. Their records show the facts. And more buses are equipped with Goodyear Tires than any other kind. Their records show that Goodyears now average mileages which represent an increase of 97% in the past five years.

Prices are down—buy now

Everyone knows prices are rising. Statistics show that commodity prices already have risen 50 to 100%. But tire prices are still down. If you want to see how much you save—look at these actual figures.

TALK is cheap—but talk won't keep you out of accidents. If you're looking for SAFETY—buy the tire that delivers so much more safety

Dollar Wheat Will Be Back

Senator Arthur Capper Says Dollar Wheat Will Be Back By End Of Year

NEW PLANS ARE BEING STUDIED

(International News Service) NEW YORK, June 20.—"Dollar wheat" by the end of the year was foreseen today by U. S. Senator Arthur Capper (R) of Kansas as a result of farm legislation sponsored by the Roosevelt administration and the production curtailment plans worked out by Secretary of Agriculture Wallace.

The Kansas senator, long a leader in the fight for remedial farm legislation, declared he looked forward to increasingly better times. Wheat that brought the farmer 30 cents a bushel last year is bringing him around 60 cents now, and by the end of the year it will yield \$1 a bushel, he declared.

Praise for President Roosevelt's leadership was forthcoming from the westerner. Although he is a Republican, he said, he strongly supported the president's recovery and legislative program because "he has the leadership the country needs."

Iowa Votes On Repeal Today

Considered As Crucial State, Iowa Goes To Polls For Prohibition Vote

(International News Service) DES MOINES, Ia., June 20.—Conceded as a critical factor in the national repeal turned, Iowa voted today on repeal of national prohibition.

Political leaders, among them Gov. Clyde Herring, predicted that repeal will win today by a margin of two to one.

In last minute addresses dry leaders promised that if Iowa votes against repeal national prohibition will not be removed.

Farm Bankruptcies In Pennsylvania Increase Slightly

Past Year Shows Only Small Increase Over Previous Year

By ARTHUR C. WIMER

Special Washington Correspondent

WASHINGTON, D. C., June 20.—

Farm bankruptcies increased but slightly in Pennsylvania during the fiscal year of 1932 as compared with the previous fiscal year, the Department of Agriculture reports.

In the Keystone State, 158 farmers took the bankrupt law in the 1932 fiscal year. This was but a slight increase above the 137 who followed such a course in the 1931 fiscal period. Farm bankruptcies in Pennsylvania represented 6.4 per cent of the total bankruptcies in the state in the 1931 fiscal year and 6.8 per cent in 1932.

Farm bankruptcies in Ohio have increased from 277 in 1931 to 460 in 1932, representing eight per cent of all Ohio bankruptcies in the latter year.

Veach Church To Observe Birthday

103rd Anniversary Of Old Methodist Congregation Will Be Celebrated

Arrangements have been completed for the anniversary service, celebrating the 103rd anniversary of the Veach church at the bend of the Hubbard and West Middlesex roads.

The first settlement in this district occurred in 1803 and in 1829, the old Veach church was organized. Although there hasn't been a regular program in the church for many years, the descendants still hold a service there once a year. The church is now under the Methodist church of Hubbard.

In 1803, Noah Fielder, appointed as a circuit rider in the Erie district, visited the Hubbard district and organized a church, enlisting as members William Veach and Amos Smith, both of whom became local preachers; William Parrish and wife, George Frazier and wife, Amos Snyder, Thomas Snyder, Joshua Snyder and William Enos Burnett.

The church still stands as it was when built, except that a new slate roof was added.

The meeting Sunday will be an all-day affair. The committee in charge of the reunion is composed of Mrs. Claude Randall, Mrs. Harry Malin and Charles Grace of West Middlesex.

Rev. Homer B. Davis of the First M. E. church of Sharon will be the principal speaker at the afternoon meeting.

Woman Aged 100 Taken By Death

Mrs. Susan W. Seal, 100, Former Well Known School Teacher, Dies

(International News Service)

WEST CHESTER, Pa., June 20.—Susan W. Seal, who was 100-years old, died Monday at her home in New Garden township following an illness brought on 10 days ago by a heat wave.

Known as "Aunt Sue" to her friends, she was born on January 4, 1833, and taught school during her early life, serving at one time as matron at West Chester State Normal school.

Two grandchildren, Miss Edith M. Seal, of Philadelphia, and Lewis T. Seal, Richmond, Va., survive.

St. Vitus Parish Observes Feast Of Corpus Christi

Thousands Participate In Annual Celebration In Honor Of Eucharist

Five thousand people in procession and stationed along the streets in the vicinity of St. Vitus church, on Sunday evening participated in the annual celebration of Corpus Christi, during which the Holy Eucharist was venerated in public.

More than a thousand members of the parish participated in the procession, that marched in honor of the Holy Eucharist as it was borne from the church and about the surrounding streets to four special altars erected at South Jefferson street and Home street, Home and Mercer street, Maitland and Mercer streets and Jefferson and Maitland street.

At each of the altars, Rev. Fr. N. DeMita, pastor of the parish, knelt in prayer before the Eucharist, which reposed on the various altars, and then gave the benediction of the blessed sacrament for the assembled thousands of worshippers, who were kneeling in the streets. The benediction was given five times including that in the church.

The streets were strewn with flowers, which those in the procession had been carrying and scattered about the street as they preceded the Blessed Sacrament to the various altars. Along the sides of the streets were hung beautiful silk articles and flags from the homes of members of the parish, adding much to the beauty and color of the scene.

The procession was headed by a banner followed by two hundred and fifty girls in white and with wreaths of green about their heads and carrying bouquets of flowers. Two hundred young ladies of the Sodality of the Children of Mary then followed, then two hundred members of the Sodality of the Mother of Sorrows.

Then followed the banner of the Holy Name Society in front of some two hundred and fifty men of the Holy Name Society and the Knights of St. Vitus, who acted as a guard of honor.

Fifty altar boys immediately preceded Father DeMita and his attendants Dante DeLillo and Joseph Mastrangelo, who are studying for the priesthood. Father DeMita carried the blessed sacrament.

The choir of the church was also in the procession and rendered Tantum Ergo and Genitori with a band as accompaniment as the procession moved along and at the proper intervals at the various altars.

The whole service was one of the most imposing of its kind ever held by St. Vitus Parish and was marked by the great numbers of worshippers who participated and knelt in prayer in accordance with the requirements of the service as it progressed.

Are Using West Pittsburgh Road

Auto Traffic Able To Use Highway, Although Road Is Not Entirely Finished

Although the West Pittsburgh road has not been entirely completed, nor accepted as yet by the State Highway Department, motorists are able to use the road between New Castle and West Pittsburgh, it is stated.

The concrete work on the roadbed has been finished and has hardened sufficiently to permit traffic, but there is still some work to be done along the side of the road and in completion of culverts, etc.

Blasting operations were being carried out on the lower end of the road near West Pittsburgh today, clearing away some of the hillside, it was stated by residents of the district.

Church Services At Cascade Park

Churches Of City Will Unite In Sunday Evening Services In The Open At Park

At the ministerial association meeting held Monday morning in the First Presbyterian church plans were made for holding Sunday evening services at Cascade park.

The matter was fully discussed from every angle by the assembled ministers of the city and the only problem involved was that some of the ministers will hold services in their own churches throughout July and August, which were the months decided upon for the open air meetings, but the conclusion reached was that the services will not conflict in any manner with the churches holding services.

It is understood that the pastors deciding upon holding their own

services throughout the summer months will not be criticised in any way for not joining in the union effort.

The committee on arrangements will include Rev. P. C. Pearson of the Trinity Episcopal church, Pastor A. M. Stump of St. Paul's Lutheran church and Dr. J. A. Galbraith, pastor of Epworth Methodist church, with Dr. W. E. McClure as chairman of the association acting with the committee, also L. B. Round, a Christian layman, cooperating.

The first service will be held Sunday evening, July 2, at 8 o'clock, and a complete list of the ministers in charge will be announced later.

INSANITY PATIENTS ARE ON INCREASE

County commissioners are worried over the rapid increase in insanity patients. During the past two weeks, the county has had to place seven persons in institutions for the treatment of mental troubles. The average for a year has generally run around two a week. The commissioners now have a patient at the county home who will likely have to be sent to Dixmont or Warren, as she is making all kinds of trouble.

COUNCIL HAS AUTHORIZED THE CITY CLERK TO TAKE BIDS ON 1000 PRINTED BUILDING PERMIT FORMS FOR THE ENGINEER'S BUREAU. PRINTERS HAVE UNTIL FRIDAY TO SUBMIT BIDS.

FORMER LEGION HEAD IS FATALLY BURNED

Men Of Legion Recall Visit Of Bodenhamer

Former Head Of American Legion, Victim Of Blast, Spoke Here In 1930

WAS POPULAR IN VETERAN CIRCLES

O. L. BODENHAMER

Members of the Perry S. Gaston Post, American Legion, and their many friends in New Castle, learn with regret of the death of O. L. Bodenhamer, National Commander of the American Legion in 1930, who died last night as a result of burns received in a gas explosion yesterday on his oil lease near Shreveport, La.

Bodenhamer, who was one of the most popular commanders of the American Legion has known, spoke in New Castle on March 4, 1930, at the annual National Commander's

banquet, when he was heard by close to 1,500 Legionnaires and their guests. Death came in a hospital at Shreveport, despite emergency treatment in the "heat bath" and intravenous injections.

Bodenhamer's home was in El Dorado, Ark., where he was prominent in business and civic life. He was defeated last year by Mrs. Hattie W. Caraway in the Democratic primary race for United States Senator.

Elected Commander of the American Legion at the Louisville convention in 1929 he was known to scores of Legionnaires here through his visit to the city during the succeeding year on his speaking tour over the country.

He was a man of splendid personality and imposing in appearance, and his death will be learned with deepest regret by members of the Perry S. Gaston Post.

Two Truck Drivers Killed As Brakes Burn Out On Hill

Two St. Louis Men Die Following Accident Near Greensburg, Pa.

(International News Service) GREENSBURG, Pa., June 20.—Two St. Louis truck drivers were dead today, the result of a spectacular automobile accident in the Ligonier mountains.

The men, Andrew Becker, 35, and Francis Atkin, 50, were piloting a truck loaded with fireworks down Laurel Park Mountain when the brakes burned out.

The truck shot over the side of the highway, slithered crazily down the hill and caught fire. The fireworks were not ignited.

JULY CONVENTION TO BRING THROG

Karpathian Progressive Group To Hold Three-Day Session In City

Approximately 300 members of the Karpathian Progressive Association, Greek organization, will assemble in New Castle for their annual district convention on July 2, 3 and 4. Announcement was made today that George Costakis, president of the New Castle chapter of the association and chairman of the convention arrangements, has appointed committees to work out details of the three-day affair.

According to plans, the convention group would convene on Sunday, July 2, adjourning on the Fourth holiday.

The Karpathian members met last year at Weirton, W. Va. It was at that meeting that New Castle was selected as the convention city this year.

Knights Of St. Vitus Hold Social Session

Also Hear About Annual Retreat From Father Victor Green, O. M. Cap.

One of the most successful social evenings in the history of the Knights of St. Vitus, was held last evening in the hall of the church. Carm Sacco, the president, presided. Joseph Factor, chairman of the entertainment committee was master of ceremonies.

During the evening Rev. Fr. N. DeMita, pastor of the church spoke on the welfare of the organization, urging the young men of the organization, to try for even greater results than have already been attained by this successful organization of St. Vitus Church.

Rev. Fr. Victor Green O. M. Cap., a member of the faculty and also of the community of St. Fidelis College at Herman, Pa., was the principal speaker of the evening having as his topic, the matter of the retreat that is held annually by a large group of the organization and which is planned for this year at St. Fidelis. Speaking of various features of the retreat, he told of the benefits, spiritual and physically, that are to be gained in the quiet period spent at the seminary. He brought out the need of greater religious life in the present age and persons, who will stand out in defense of their faith.

Wm. C. Graham Hurt In Accident

Wilkinsburg School Head Is Recovering From Effects Of Auto Accident

(International News Service) PITTSBURGH, June 20.—William C. Graham, superintendent of Wilkinsburg schools, today was recovering from injuries suffered when his automobile skidded on the William Penn highway east of Mundy's Corners Saturday night and crashed into a tree.

Graham was driving accompanied by his wife. The Wilkinsburg school superintendent received an injury to his back and severe lacerations of both legs. Mrs. Graham was slightly injured.

Both were treated at a doctor's office in Johnstown and later returned to their home at Pittsburgh. It was first believed that the injured man was Benjamin Graham, superintendent of Pittsburgh schools.

(International News Service) HOLLYWOOD, Cal., June 20.—Spencer Tracy, noted moving picture actor, sustained painful injuries when he was thrown from his polo pony onto a gravel walk, it was learned Monday.

Tracy was removed to his home. He suffered a sprained wrist, a wrenched back, a bruised leg, and a wrenched bump over one eye. Removal of gravel embedded in his skin by the fall required two hours.

ARMY MAN VISITS LOCAL FORESTERS

Has Praise For Their Camp; Boys Hoping To Make July 4th Trips

(By TOM CRENNEY, Jr.) (Special To The News) CAMP NO. 126, CIVILIAN CONSERVATION CORPS, TROUT RUN Pa., June 19.—This mountain camp, the home of 100 New Castle foresters, received the hearty praise of Major Wyand of the United States Army, sub-district commander when he visited it last Friday.

The major was noticeably impressed with the scenic beauty and surrounding country in which the camp is located, and was very much impressed with the spirit of cooperation which prevails. He lauded Company 367 for its splendid team work.

Lumber is the only thing scarce in this district and for that reason the camp construction has been slow. It is expected, however, that building material will arrive at any time. There are several other camps to be supplied with lumber and other

building material, so that probably accidents for the delay.

Work has not been scarce, even though lumber has. The grounds have been cleared, beautiful walks have been built, fancy designs in the form of hearts display the company's name and number. All these units have been whitewashed, adding to the beauty of the camp.

After Major Wyand's visit, Company Commander Haskell Allison, told the correspondent:

"I am very much impressed with the type of men I have the pleasure of commanding. The spirit of loyalty and cooperation they have given me in establishing this camp could not have been possibly exceeded."

And About The Boys A baseball team is now functioning under the direction of Sergeant Gavaghan. There is lots of material here and the sergeant hopes to develop a fine team.

"The boys were playing 'mop slicks' last night. It certainly is a back-breaker.

"Lud" Ostrosky is sure enjoying himself up here. He sure likes the woods.

"Art Sillman plans to spend the Fourth of July with friends in Scranton.

Leonard Book walked from Trout Run to the camp the other day—no short hike, either.

The Seventh Ward boys are enjoying camp life here. Edward Calvert, Al Russo and Dick McKee are quite content. They plan a visit home over the Fourth.

Lloyd Green sure can play a Spanish guitar. He's in great demand here.

"Mike" Lafret gets a lot of mail from Youngstown. Everyone is wondering about it.

TAX PAYMENTS ARE GOOD AT MERCER MERCER, Pa., June 20.—Those who claimed that employment was the cure of all depression ills seem to have hit the proverbial nail on the head if the statement of County Treasurer George W. Lawrence establishes any criterion.

Lawrence reports the payment of delinquent taxes greatly improved within the last few weeks following the resumption of employment in the mills of the valley towns. The county has posted \$500,000 in delinquent tax extending back for five years.

Bonded Debts Show Great Increase In Seven Year Period

Local Government Bonded Indebtedness Jumps 95 Per Cent In These Years

(Special To The News) PITTSBURGH, Pa., June 20.—Bonded indebtedness of local governments in Pennsylvania increased more than 95 per cent from 1923 to 1930 and now represents more than \$100 for each of the 9,000,000 residents of this state, according to data obtained by the western Pennsylvania branch of The National Economy League, an organization working for local, state and national governmental economy.

Counties, cities, boroughs, townships and schools have increased their indebtedness from \$531,581,299 in 1923 to \$1,037,173,426 in 1930, the league finds from latest obtainable figures.

Townships are the worst offenders, having increased their bonded more than three-fold in the seven-year period.

While indebtedness has been increasing 95.11 percent, the percentage of tax increase has been 51.09. The league points out that this procedure is mortgaging the future beyond increases in natural revenue and is a most dangerous procedure.

The increase in indebtedness by local taxing groups from 1923 to 1930 is as follows:

Counties \$78,408,332 to \$182,054,035; Cities \$272,075,680 to \$547,195,729; Boroughs \$36,691,892 to \$48,312,310; Townships \$7,273,083 to \$22,281,133; Schools \$136,537,312 to \$235,554,905.

COUNTY MUST MEET BOND PAYMENT JULY 1

County commissioners are preparing to pay off \$87,000 worth of road and bridge bonds on July 1. The total payment, with interest, will amount to a little over \$111,000. The commissioners expect to have this much money on hand, but it is going to drain the treasury to meet the obligation. Money for 1933 taxes has been coming in slowly, with the result that the county now has a number of bills, that cannot be paid until further collections are made.

Charley Grimm Says Cubs, Cards, Giants In Race

Chicago Manager Cannot See Pirates Finishing In Third Place

REAL RACE WILL START THIS MONTH

By PAT ROBINSON
International News Service Sports

NEW YORK, June 20.—Now that the teams in the National league race have straightened out for the long run down the backstretch, class has begun to tell, and from here right down to the wire it will be a dog fight all the way among the Cubs, Giants and Cardinals.

So, at least, it appears to Charley Grimm, manager of the Cubs, who forecasts one of the most stirring finishes the league has ever known.

"It's going to be a wild scramble from here on in," said Charley today, "and I look for the Giants to stay up there all the way. They've proved they're no morning glories."

"The Pirates made the Giants when they sent O'Doul and Clark across the bridge for Sam Leslie. Now they've got a great hitter and a star left-hander to go along with Hubbell. And maybe you think the Giants won't make good use of those two lefties especially against clubs like the Cards and Pirates."

"The Pirates? No, I can't figure them in. Smart pitchers but they haven't got quite enough stuff. I look for a fine scramble among the Pirates, Dodgers, Reds and Braves, with any one of them popping up if the three front runners falter. A lot depends which will get the breaks. That counts."

Heroes-Goats In Big League

(International News Service)
The Heroes—Jimmy Dykes, White Sox, and Hal Schumacher, Giants, a triple by Dykes with bases full featured Chicago's victory over Yankees, 4 to 3. Schumacher held Cubs to three hits and scored fifth shutout of year, 3 to 0.

The goat—Earl Averill, Cleveland. Red Sox scored three runs and beat Cleveland 5 to 2 when he failed in attempt to make shoestring catch of Warbler's line drive with two on base, the blow going for a homer.

Big Money For Primo Carnera Should He Win

(International News Service)
NEW YORK, June 20.—If Primo Carnera lifts the heavyweight title from Jack Sharkey when they meet June 29, he can get a guarantee of \$70,000 and a percentage of the gate for his next fight. Louis Sorel, Carnera's manager, today received a cable from Jeff Dickson, the Tex Rickard of Europe, making Carnera the above offer to meet the winner of the Jack Doyle-Jack Petersen fight which Dickson is staging in London July 12.

Dickson said he expects to draw 100,000 to his new sports palace and a gate of about \$150,000.

Sorel said he might accept the offer after Primo makes a long and a short movie for which he has been offered "a staggering sum" in case he beats Sharkey. "Primo is bankrupt now," said Sorel, "but he'll be a plutocrat within six months after he wins the title."

Carey To Resign As President Of Madison Garden

President After Building Up Gigantic Organization Is Being Forced Out

MADE FORTUNES FOR EMPLOYERS

By DAVIS J. WALSH
International News Service Sports

NEW YORK, June 20.—Eleven days hence, a man by the name of William F. Carey is going to walk out of Madison Square Garden and is not coming back—granting that the Garden will feel free when the time comes to accept the implied rebuke. They say he's an honest man and this must be so, because when he became president and general manager after Rickard's death, he was a millionaire, living at the rate of \$200,000 a year. Today, he's broke.

These, briefly stated, are the essential facts of an amazing story. It is amazing because it deals so largely with self-sacrifice and loyalty and high courage in an age where only the Philistine is understood. The man abandoned all other interests and gave four years of his life to the job. From a practical standpoint, I suppose the job was reasonable. All it took in return was everything.

Now Finished.
It's finished with him now. He has done his work in a way that will allow almost anyone to carry on the details in his absence, so it is allowing him to resign because of some technical difficulty for which he need not have accepted full responsibility, but did. It still could hold him—if it would. But honestly, a theoretical virtue at best, is not always a valuable trait. In other words, what does a business man mean by being honest nowadays?

What this particular business man meant by it can be realized more adequately by the fact that even those who have reason to dislike him admit that, without him, boxing at Madison Square Garden might not have survived these four, haggard years.

Pirates To Send Swift To Mound

Lloyd Waner Is Improved Player Since Being Shifted Back To Center Field

(International News Service)
BOSTON, June 20.—Refreshed from their day's rest, the Pittsburgh Pirates will attempt to make it three in a row today over the Braves.

Manager Gibson has selected Bill Swift, right hand ace, for mound duty. Bill McKeechine is expected to counter with Tom Zachary, veteran southpaw.

Since Lloyd Waner has been returned to his old stamping ground, middle field, "little poison" seems to have regained his batting eye. His consistent hitting in the last few games has contributed much to the Pirates successful start of their 18-game road trip.

Another department that has been steeled since the innovations enacted in the Pittsburgh line-up is a shortstop. The benching of Tony Piet for Tommy Thevenow, a sterling fielder, has greatly improved the defensive play of shortstop "Arky" Vaughn.

The Pirates conclude their series with the Braves with a double header tomorrow.

Ellwood Team Desires Game

ELLWOOD CITY, June 20.—Ellwood City Merchants baseball team would like to book a fast team for a game Saturday, either at the Ellwood City field, or away from home. The Merchants have a strong semi-pro team and can give any team a first class battle. Games can be arranged by calling Ellwood 144J and asking for Homer Garwig or write to Mr. Garwig at 412 Hag street, Ellwood City.

Five Americans Seek Title In British Amateur

(International News Service)
HOYLAKE, Eng., June 20.—The five Americans remaining in the British amateur golf championship renewed their efforts today to recapture the crown long held by the immortal Bobby Jones and now resting on the head of John De Forest, youthful son of a British baronet.

Charles Sweeney, American star who resides in England, chalked up the first victory of the day by eliminating J. S. Rowell of Frilford Heath, 4 and 3.

Another of the Canadian entries went down to defeat when T. C. J. Manners of Britain defeated P. Sampson of Gananoque, Canada, 4 and 3. Both were second round matches.

Besemer and the Tigers of the West will clash in the first of two games in the American division of the Lawrence county twilight baseball league today. The games will be played at Besemer.

The Tigers have captured 11 games and lost two. Besemer has won 10 games and dropped three. Should Besemer take both of the games they will have won the American loop flag for the first half.

Should the teams break even the Tigers will have a percentage of .784 and Besemer .714. At present the percentages are: Tigers .846 and Besemer .769.

With Polish National alliance and West Pittsburg tied for third place with .571, there will be a break today when West Pittsburg and the Polish clash on the latter's ground.

Castlewood and Dewberys are scheduled to clash at Castlewood but the game will not have any bearing on fourth place as Dewberys have not won a game.

Babe Ruth May Play Today In Chicago Battle

Connecticut Is Balloting Today

(International News Service)
HARTFORD, Conn., June 20.—Connecticut voters went to the polls today to register their decision on prohibition repeal. Fourteen years ago this state refused to ratify the 18th amendment.

Last November the state voted in a referendum 292,787 to 47,951 in favor of memorializing congress for repeal.

MAN, 70, IS KILLED, LEAVES MOTHER, 93

OIL CITY, Pa., June 20.—Charles E. Adams, 70, of Maple Hollow, Venango county, was instantly killed when he fell from a horse drawn buggy in which he was riding with his son, enroute to Sullingers Corners. They were taking a short cut across a field and attempted crossing a ditch. The buckboard upset, hurling the two men out. The elder Adams suffered a broken neck. The son was unharmed. Four sons and Adams' aged mother, Mrs. Elizabeth Adams, 93, survive.

Club should not be started back with hands and arms alone.

ALEX MORRISON says:
A player is always prone to yank the club away from the ball with his hands first, particularly when he is off his game.

He figures that if he can just get his hands and arms in motion he can overcome the tension in the rest of his body. Just the reverse is true.

By moving his body first he can overcome tension. It takes a great deal of patience to do this, but you should always start your swing with some body action and then begin the wind-up of your arms and hands after your hands have moved past your right leg.

Next: Right Hand and Swing.

Cleveland Truck Driver Is Held

Ohio Driver Tries Hit And Run Game In Pennsylvania And Gets Caught

(International News Service) SCRANTON, Pa., June 20.—William Jacobson, 41, of Cleveland, O., was arrested here today as an alleged hit-run driver after Herman Ross, state highway employee, was run down while working at Chin-chilla, near here.

Jacobson swerved his truck from the highway to avoid a collision and struck Ross, according to police. Other motorists gave chase and captured him.

The victim's condition was regarded as not serious.

With Dollar Crashing Further Against Foreign Currencies, Stocks Go Up

FLOOD OF BUYING
AS MARKET OPENS

(International News Service)
NEW YORK, June 20.—With the dollar crashing further against foreign currencies, the stock market boomed again today in enormous dealings which sent the high speed ticker 14 minutes behind in the first hour.

Inflation enthusiasm continued at fever heat as Sterling led a new spurt in foreign currencies which sent the dollar tumbling to a discount of 24 per cent, the equivalent of 76 cents against gold standard currencies.

All markets joined the rise. Wheat scored additional gains of nearly a cent a bushel on top of yesterday's spectacular advance but reacted later. Cotton jumped 50 cents a bale while commodities generally were up sharply.

Speculative bonds set a fast pace for the bond market. Curb and bank stocks were buoyant.

A flood of buying in the early dealings with blocks running to 14,000 shares quickly sent stocks up 1 to more than 3 points to within a fraction of the highs for the year. Tremendous profit-taking again developed on the bulge but, as yesterday, the bulls took the offerings with only a brief interruption to the advance.

The bulls on the gold stocks whirled their favorites up again, led by Homestake Mining, on the persistent hope of the establishment of a free gold market in this country. The building group went into new high ground under the leadership of Johns Manville. Consolidated Gas was in the van of a new rise in the utilities. The pivotal stocks like American Can, U. S. Steel, American Telephone, Westinghouse, General Motors and Allied Chemical rose to 2 points each. Scores of issues scored new peaks for the year.

The rails were buoyed by the new car loadings gains while the steel had the additional stimulating influence of the big orders promised by the public works program. Auburn was volatile in the motors. The repeal stocks put on another strong performance of the hope that Congress, Kentucky and New Hampshire would join the Anti-Prohibition column today.

Serious Collision Takes Place
On Second Street-Fountain Avenue Intersection

ELLWOOD CITY, June 20.—Two men escaped serious injury last evening when a car in which they were riding overturned on its side following a collision with another car at the intersection of Second street and Fountain avenue.

According to reports filed at the local police station a car driven by W. E. Sahli of Harmony, was en route north on Second street. Sahli stated that he had failed to observe a stop sign and collided with a car driven by John Atcheson of Wampum, going east on Fountain avenue. The impact of the machines caused the Atcheson car to overturn on its right side after being struck on the left. L. W. Brady was a passenger in the Atcheson car and received a slight injury to his arm.

Sahli was accompanied by his family at the time of the accident, having two women and three children as passengers. No one was injured in this machine. The Atcheson car was considerably damaged.

Funeral Services
Conducted Monday

ELLWOOD CITY, June 20.—Funeral rites for Fred W. Flinner whose death occurred at his home in Wayne avenue Saturday morning following a prolonged illness of seven months' duration, were held yesterday afternoon at 2:30 from the late home. Rev. D. N. Thomas, pastor of the Free Methodist church assisted by Rev. J. E. Coughy, of the Wurttemberg U. P. church, were in charge of the services.

Mr. Flinner was a well known and highly respected resident of this city having resided here for the past forty three years. For many years he was employed at the National Tube company. The services were attended by a wide circle of bereaved friends and a quartet from the Free Methodist church sang three beautiful selections.

Immediate survivors are his widow, Mrs. Lettie Flinner; three daughters, Mrs. George Main, Mrs. Ira Covert, of Ellwood and Mrs. Carl Jones, of Detroit, Mich., four step-children, Vaughn, Whybrew, and Mrs. Ruth Nicodemus, of Ellwood, and Mrs. Frances Addison of Marion, Ind., and Mrs. Alea Parrott of Beaver Falls and the following brothers and sisters: Mrs. James Talbot, Mrs. Henry Koul, Mrs. Brewer, Mrs. Van Warner and William Flinner, of Pittsburgh, Mrs. Howard Hall of Ellwood and John Flinner of Uniontown.

Interment was made in Slippery Rock cemetery with Mr. Welsh, Mr. Knight, Mrs. Allison, Harry Liebenorfer and Wilton Derraw as pallbearers.

Community Noses
Out Park Gate

Norm Pack Hits Two Bagger
With Bases Loaded To Win
Game 5-4 Monday

ELLWOOD CITY, June 20.—Community baseball team maintained their undefeated record in the church league here Monday evening when they nosed out Park Gate 5-4 in a thrilling game.

A Frank Merrill finish was responsible for Community's victory with Norman Pack being the hero of the day. Up to the last of the ninth inning the score was 4-2 for Park Gate. Marshall scored from Brown's single making the count read 4-3. This left the bases loaded with Brown, Neff, and Jamison on first, second, and third respectively. When Pack approached the plate there had already been two outs. Pack was equal to the crisis and smacked the ball over the right field fence for a double, sending two men in and winning the game.

Park Gate had scored two runs in the first inning and two in the sixth. Community will have two more tests this week. They have a postponed game to play with St. Agatha and Park Gate.

Baruch Becomes Adviser To President Roosevelt

WASHINGTON, June 20.—Bernard M. Baruch, noted New York financier and mystery man of American politics, today became the "figure behind the throne" in Washington.

He assumed the duties of adviser to President Roosevelt on domestic as well as foreign affairs during the absence in London of assistant secretary of state Moley.

Although not on the government payroll and acting entirely in an informal capacity, Baruch will occupy Moley's offices at the state department.

In announcing that Baruch would be at the state department during his absence, Moley let it be known the New York financier may continue as adviser to the president even after Moley's return from London.

Moley said that besides acting as adviser to the president, Baruch also would advise acting Secretary of State Phillips on matters relating to the state department and the nation's foreign affairs.

Baruch has accepted this post at the special request of the president, Moley added.

Road Width Figures In Damage Claim

Hearing In Case Of Charles Reynolds Is Held Before Viewers Today

Attorney Clarence Patterson, civil engineer, Albert Treser and Joseph Hannon, viewers appointed by the court heard testimony at the court house this morning on a claim of damages by Charles Reynolds, of the New Castle-Mercer road. Reynolds' properties are located on the east side of the road, immediately beyond the hollow a short distance outside the city limits.

Reynolds claimed that some of his land has been taken and that a cut of around five feet was made in front of his property. The main question at issue was the width of the road at this point. It was originally a 33 foot road, but it is claimed by the county that it was later made a fifty foot road. If it is a fifty foot road damage cannot be claimed for property actually taken. A 33 foot road damages can be claimed for the land taken, or change of grade.

Attorney John P. Lockhart for the county and Walter S. Reynolds, for the claimants, are to look up data on the width of the road and present it to the viewers before they arrive at a decision.

Y's Swim Drive Attracts Crowd As City Swelters

As city folk did their best to sidestep the heat, about 200 young boys splashed their way to happiness in the Y. M. C. A. swimming pool today and learned from experienced instructors the art of swimming alone.

Physical Director H. T. MacNicholas, reporting that the association's "Learn to Swim" drive was already a success, headed the corps of expert swimmers engaged to tutor the kids. No boy who could swim was eligible to take part.

The ten-day campaign so far has brought 200 boys to the pool daily.

Young Woman Files Suit For Damages

Mary Bellian Claims That Frank Fallabel Failed To Marry As Promised

Mary A. M. Bellian, by her father, John M. Bellian, has filed a breach of promise suit against Frank Fallabel, and in papers filed at the prothonotary's office today asks that Fallabel be held in \$500 bail to answer the charge.

According to the statement of claim Mary Bellian is 18 years of age, and lives with her parents in Wayne township. About July 26th, 1931 Fallabel began paying attentions to her, and in October, 1932, they became engaged. Fallabel presenting his sweetheart with an engagement ring in the presence of her mother.

On April 28, 1933, a marriage license was obtained, and on April 29 the bans were published in St. Agatha's church at Ellwood City, at which time May 8 was fixed as the wedding date.

The couple afterwards went to a furniture store and selected furniture to be delivered after their marriage. At about the same time Miss Bellian says she noticed a coolness on the part of Fallabel, and on May 1 he paid her his last visit. She says that she knows of no reason for Fallabel's having broken off the engagement. She has been greatly humiliated as a result and asks pecuniary damages in the sum of \$3000.

Local Organization Of V. F. W. Auxiliary Receives Recognition In Allentown

Mrs. Evelyn Woods, North Cedar street, and Mrs. Tempa Stickle, Grant street, have returned from Allentown, where they represented the V. F. W. auxiliary of this city at the state encampment. Mrs. Woods was given a great honor by being selected as the first department patriotic instructor to present the flag. She presented a flag to the city of Allentown and to the county of Lehigh in a most impressive manner; the acceptance were made by Gen. Beary for the city and District Attorney J. A. Dieffenbacher for the county.

Mrs. Woods also had charge of the opening program and gave the tribute to the flag. She was highly commended by the department president, Mrs. Florence Anderson for her work.

Mrs. Adeline Evans, president of the local auxiliary was given recognition by being named to the auditing committee, and Mrs. Twila Boak, one of the tri-county county members of this district was named junior vice president.

SLIGHT ACCIDENT

George Joseph, of 13 East Long avenue, was enroute north on South Mill street, Monday, following the car of C. R. Davis of Highland and Edgewood avenues, when at Market Way, Mr. Davis made a quick turn and the Joseph machine bumped into the Davis car, causing slight damage to it.

OFF WENT FAT FROM HIPS AND ANKLES

Feels Like Young Girl

"I've lost 16 lbs. in 4 weeks with Kruschen. Am feeling like a young girl 16 yrs. old. Lost the fat on my ankles and in and around my hips so much my coat is quite large—can't speak too highly of my results." Mrs. E. Drouyer, Cleveland, Ohio.

A trim, slender figure, new energy, glorious health, youthful activity, clear skin, bright eyes—freedom from indigestion, gas, acidity, headaches, fatigue and shortness of breath so often caused by excess fat—all these splendid results a half teaspoonful of Kruschen Salts first thing each morning in a glass of hot water bring you SAFELY and without discomfort.

One jar lasts 4 weeks and costs but a trifle at New Castle Drug Co., Eckersdorf Drug Store or any drug store the world over. Money back if not joyfully satisfied. But protect your health—make sure you get Kruschen—prescribed by physicians and the one method we know to be safe and effective.

Some News, Some Views, But Mostly Just Observations Of Interesting Things Around New Castle

As a place to work and a job to do, that one of standing in the middle of the West Washington street bridge these days, trying to induce drivers to slow down to 6 miles per hour rates as one of the city's hot spots.

Came by yesterday and mentioned to the lad in charge that it was a bit warmish. "Not so cold" he replied. "It gets up to about 111 here and then this asphalt begins to get soft under a fellow's feet. The sun comes down the short way and brother it's hotter than the well known hinges."

Over on the side of the bridge a couple of welders were tying pieces of steel together using a cord of blue flame to make the tie. They looked like some old time monks hooded for the services. Or some battle hungry knight stepping out to do a little jousting. The hood on their heads is made of metal and undoubtedly adds to the pleasure of a hot day.

And as I stood there talking my friend in the middle of the bridge kept intoning to drivers, "take it easy, six miles per hour and twenty feet apart. And all the while the sun was making apple butter of the asphalt, his neck looked like a helping of boiled beets and his feet must have felt like a couple of hot dogs.

Slipping from head to feet in our own graceful fashion reminds us that we had a paragraph intended for the mail men days like today. Pounding ten or twelve miles of concrete sidewalk isn't anything to make for perfect arches but George Sowash assures me that it's mere nothing. Maybe a mail man's feet build their own protection against hot sidewalks.

And now for a cooling note. Comes a letter from James J. McMillin on us at ease in Mt. Shasta, California. Never heard of the place but Jimmy writes in a vein that seems to indicate that Adam and Eve could have picked a better spot at that.

The city is the location of the reforestation unit out there and is located at the foot of Mt. Shasta which rises majestically about 14,000 feet. Snow is down to the timber line at 8,000 feet, while at the base of the mountain "every view is lovely and only man is vile." The water bubbles out of the mountain side so pure and unadulterated that it is used in automobile batteries.

And the climate. Ah, the jolly old California climate. Jimmy seems to have gone native on us for he blurbs about the climate for a page or two. Just warm enough in the day and just cool enough at night and every day sees hundreds of youngsters come in prepared to cut rounds over the face of old Mt. Shasta.

Attended a dinner last night for a fellow by the same name as the engineer of this column, but who is no relative at all. Not even a distant relative. And after hearing some of the remarks of men of this city, who happen to be the salt of the city or a portion of it at least, it occurred to me that there are some things money cannot buy. For years this gentleman has been the hand skunk digger in New Castle which was designed and did bring a laugh. He has been the motivating force back of a lot of civic advancement and through the years has been a genuine friend. His name happens to be Richards but if it was Mahatma Gandhi there would still be a compartment down around the pericardium reserved for him.

Marlene Dietrich has her friends here too it seems. The fad of wearing pants has been taken up by at least one young lady who was strutting in her stuff Sunday. And whether the fad was started by Marlene Dietrich or Lucy Stone, we never expect to like it. No gal was ever intended to drape her self with male attire, any more than jumping Joe Savoldi was intended to wear a ballet dancer's skirt.

Water Company Employees Give Richards Gift

Tribute To Superintendent Is Given On Monday Afternoon

Employees of the New Castle Water Company paid tribute to Howard B. Richards, manager of the plant Monday afternoon, to mark his promotion to the plant at Birmingham, Ala. Just before quitting time the employees gathered and Gus Kruger, a veteran foreman with the company acted as spokesman.

He said that he had been with the company thirty three years, under four managers, but that the period of time under Mr. Richards had been outstanding for its harmony. As a token of the esteem in which Mr. Richards is held, he was presented with a gladstone travelling bag.

Camp Girls Will Have Noval Party

"Guess What I Am" Party At Y. W. C. A. Camp Tonight—Other Camp Notes

A "Guess What I Am" party is anticipated to tickle the funnybones of the Camp East Brook girls tonight. The girls are stealing moments from today's schedule of events to think of clever costumes for tonight's party. It looks like there will be everything from a June bug to a china doll in attendance.

Then there is to be a "hare and hound" chase before the party—and that will be a feature in itself. Yesterday Edie Norris was chosen officer-of-the-day by the Mo-hawks and had charge of a number of the camp activities.

Last night was labeled "counselors night" at the Y. W. C. A. camp—and that is just exactly what it

was. It is doubtful, however, whether the counselors received more enjoyment from their stunts than did their fifty-three young spectators. Skits and songs and readings portraying great dramatic ability or something, were the order of the night. The counselors ended their performance with a very esthetic (?) dance of spring.

GROVE CITY, Pa., June 20.—Quilts of antique and modern design numbering 150 were displayed here by the Alice Dadds Missionary Society of the United Presbyterian church. They varied in age from 50 to 150 years. The display is the most unique of its kind ever held in the community.

NEW CHECK BRINGS TROOP 15 VICTORY

Boy Scout Leaders Find Errors As Camporee Figures Are Studied

Results of the Lawrence County Council camping jamboree, on a checkup in the council office, showed some change in standings as a result of two divisions having been added in twice. In their anxiety to have totals completed before all the patrols went home, this error was made by adding in the "final cleanup and inspection" in twice. Under corrected rules, V-15 of the First Christian church wins first place, holding the 1932 championship they took last year. Troops V-18 and New Castle 3 also had changes in their standings on account of this. The executives will rearrange the jamboree scoring system this year, so that such errors will be impossible in future meets. The standing follows:

- 1—New Castle V-15, First Christians—925 1/2
- 2—New Wilmington V-1—915
- 3—Ellwood Kiwanis V-11—906
- 4—New Castle Kiwanis V-37—904
- 5—New Castle V-18—893 1/2
- 6—Ellwood 14, First M. E.—879
- 7—Eastbrook 1—873
- 8—New Castle 3, First U. P.—778
- 9—New Castle 6, Croton M. E.—665.

Considering the weather, the contest was a very good one, as tent ditching, firebuilding and other departments were severely tried out. A thunderstorm in the night showed up many mistakes in bed arrangement and also gave the tents a good tryout. Altogether the whole jamboree was very much worthwhile, this being the first time in any contest that four teams have scored 900 points or better.
